Eagle Charter  
999A Locust St NE  
Salem, OR 97301

Dear Dr. Ballance:

Returning Oregon students to onsite learning is an enormous responsibility that is shared by schools, districts, and local and state public health agencies.

This letter confirms that Marion County Health & Human Services has received Eagle Charter School's *Operational Blueprint for School Reentry* as outlined in guidance issued by the Oregon Department of Education (ODE). We are reviewing Sections 1-3 of the *Operational Blueprint for School Reentry*.

Health & Human Services may request adjustments to Eagle Charter School's *Operational Blueprint for School Reentry* in the future to address elements of emerging science and best practice related to COVID-19 mitigation in schools and communities. In addition, schools must repost updated operational blueprints and ensure updates are submitted to Health & Human Services and ODE.

Marion County Health & Human Services will continue to work with Eagle Charter School to mitigate the impact of COVID-19 in schools.

Sincerely,

Katrina Rothenberger, MPH  
Public Health Administrator  
Marion County Health & Human Services
